

Dear Mark,

We are writing to express our gratitude for the work you performed recently for Wabi Sabi Garden Pty. Ltd. We were most impressed with the professional manner in which you conducted yourself as well as the excellent service you provided. As there are very few comparable properties with our location being a mostly residential street we were concerned that it would be difficult to get an accurate valuation. Your in depth research proved to be extremely accurate and we are sure the fantastic submission you made on our behalf is what resulted in the independent valuation from the valuer appointed by the small business commissioner being so favourable for us. We can't thank you enough for all your help throughout this process and will have no hesitation in strongly recommending you in the future.

Kind regards,

Tomoya Kawasaki and Michael Weingart.
